

**JAWAHARLAL NEHRU COLLEGE FOR WOMEN
ULUNDURPET – 606 104**

**DEPARTMENT OF COMPUTER APPLICATION and COMPUTER SCIENCE
Report of Webinar on the Topic “Scope of Data Science”
Conducted on 07.12.2020 (Monday) 10.30am to 12.00 am.**

The Department of Computer Application and Computer Science has collaboratively conducted a Webinar on the topic “Scope of Data Science” on 07th December 2020 for Computer Science and Computer Application students and I & II PG Computer Science students of our college. The III year BCA & Computer Science students have attended the webinar at G-14 smart class. The I, II year students have attended the Webinar through online from their home.

Mrs.J. Gomathi, Vice-Principal (Academic) & Head, BCA department presented the Welcome Address. Dr.S.Devi, Principal, JNCW presented the Presidential Address. Prof.D.R. Rajasekaran, PG Coordinator from Computer Science has hosted the function. Prof.S. Uma Maheswari, Head, Computer Science has delivered the vote of Thanks.

The Chief Guest Dr.D. Arul Pon Daniel, M.C.A.,M.B.A.,Ph.D., (B.C.S)., has presented the Webinar through online. The session was very useful to the students. It was an eye-opening session to the Computer Science and Computer Application students. They came to know about new career opportunities related to Data Science field and gave their feedback through online Google form. E-Certificates have been given to the participants.

The programme was well organized by the BCA & Computer Science department faculties. Prof.M. Ranjani, Assistant Professor, BCA prepared the E-Certificates and Google form for registration.

Thanking you,

Head, BCA

Head, CS

PRINCIPAL.
