

JAWAHARLAL NEHRU COLLEGE FOR WOMEN

ULUNDURPET – PALI

DEPARTMENT OF PHYSICS

WEBINAR PROGRAM – ACTIVITY REPORT

With the blessings of God, in the grace of our chairman, secretary, executive director and under the guidance of our Principal Dr.S.Devi, the department of physics organized a webinar on 13.02.2021, the title “RECENT TRENDS IN MATERIAL SCIENCE”.

The webinar was started with prayer song by 10.30 A.M. The welcome address was given by Head of the department, Department of Physics, Mrs.N.Malathi and also introduced the chief guest. Then our beloved principal Dr.S.Devi presides over the function and gave felicitation address.

Our chief guest Prof. Dr.R.Nithya delivered the lecture on the recent trends in material science. She explained the importance of the materials in present world, modern materials needs and challenges. Students were inspired by her speech & they have learnt new things from this session. More than 90 students were participated the webinar. And delivered the vote of thanks by Dr.A.Julie, Assistant professor, department of physics.

Finally the webinar ended with discussion and queries and went on smooth.
